

Fixtures Report

Our main opportunity for match play over the last year has been participation in the Eastern Water Polo League(s).

In the 2013/2014 season we competed in the following age groups:-

U18s Boys – born 1996 or later – Matches home/away -

U16s Mixed – born 1998 or later – Matches home/away –

U14s Mixed – born 2000 or later – two tournaments.

We entered in all three competitions, we were only just able to complete most of the matches as many of our players were playing in two squads, but unfortunately a few had to be cancelled and points conceded.

With more clubs participating in the league from the 1st April 2014 the EWPL agreed a league structure that there would only be one season per year running from 1st April – 31st Dec for the following age groups.

U18s Boys – born 1997 or later – matches home/away.

U16s Mixed – born 1999 or later – matches home/away.

U14s Mixed – born 2000 or later – matches home/away.

The committee & coaches felt supporting that many home and away matches was too much so it was decided we would only enter the U14s age group and look to arrange friendlies for our older players where possible.

Attempts to arrange friendlies for older players have not been too successful to date but now the exam season is out of the way and the fact we have goals at Felixstowe now may we have slots attractive to the other local clubs.

In addition to the league programme we have also sent teams to compete in two one off tournaments.

U14s – born 2000 or later hosted by Colchester in April

U15s – born 99 or later hosted by Basildon in May .

I hope the players have enjoyed the matches they have played in over the last year, and look forward to supporting the match programme over the coming months.
