Dear Water Polo player,

Welcome to the Suffolk Coastal Torpedoes (SCT) Water Polo Club. We hope you will have an enjoyable and happy time as a member at our club and that you enjoy training and playing with us. This letter is to give you some information. As a member of our club you will become a member of the Amateur Swimming Association (ASA).

Coaching

SCT are committed to help you enjoy your training; learn to train hard and to achieve your potential. The coaches and teachers are here to help you do that and have been trained to do so in a safe and proper manner. If you have any concerns about training do talk this over with your coach and your parents.

Safeguarding

You may wonder what we mean by Safeguarding. Basically alongside our wish for you to enjoy and succeed at your water polo we want to ensure you are safe and happy in the club and that we act upon anything that prevents that. That is what we call safeguarding our members. You may ask what am I being safeguarded from.

So by way of an example we want to make sure you are not being:

- Bullied
- Treated differently to others
- Hurt by another person on purpose
- Ignored

Preventing such behaviour is very important to us as a club and to achieve that we follow the ASA safeguarding policy called Wavepower.

If you want to have a look at Wavepower, the club Welfare Officer will have a copy, or it can be viewed and downloaded from the ASA website.

Wavepower has a section (Section 5) specifically for players that our Youth Forum has helped us to write, which you may find interesting to read.

<http://www.swimming.org/go/library/document/wavepower-2009-11-section-5>

We know any bullying or poor behaviour towards you would make you feel unhappy **so please do not feel you have to just put up with it.**

While we will do all we can to prevent anything happening it is important if something or someone causes you to be unhappy that you tell someone, tell your parent, your coach, the Club Welfare Officer or any other adult you feel happy to speak to. Any issues you raise will be dealt within confidence.

To assist you here are some helpful details of how you can raise concerns:

ASA Swimline

The ASA also have a helpline called Swimline if you want to tell someone but not anyone in the club.

The number is 0808 100 4001.

You will be asked to leave a number at which you can be contacted in the next 24 hours. If you feel you cannot wait that long for someone to talk to you can hang on and you will be put through to the NCPCC / Child Line helpline number who will answer your call immediately.

Child Power is a section of the ASA website just for young people. (<http://www.swimming.org/asa/clubs-and-members/under-16s-advice/>)

It has a message link that you can use to email a concern in writing to the ASA Safeguarding Team who will then help you with whatever issue you have raised.
